coders peak

Project Name

Thanks for taking the time to complete this questionnaire. Please fill in as many fields as you can. It will help us to give you the best possible insight and suggestions for your project.
Once completed please send it back to us at info@coderspeak.com and we will be in touch very soon!

The Nitty-Gritty

Company name

Contact person information

Other important stakeholders

Project Outline

High level overview

Venture Info

Tell us something about you & your business

Application Objectives

Why do you want to create it? What are the major goals?

Target Audience

Give us an insight about the ultimate users – demographics, regions, industries etc.

Restrictions

Let us know if you have any specific deadlines or budget restrictions you are working with

Decision Making

Who will be handling all decisions throughout the development?

Tech Stack Info

Have you got any preferences in terms of the tech stack? If there is an existing code what language is it in?

Stage of Development

Are you looking to create a new app or upgrade an existing one? What are the upgrades?

Platforms

Are you looking for a web, mobile app or both?

Future Support

Will you require ongoing support for future app development or maintenance?

Other

Let us know any other info you might have - links, roadmap, docs etc.
